Radius Riddler

Riddle me this...

- 1) David's father has three sons: Snap, Crackle and _____
- 2) What can you hold in your right hand, but not in your left?
- 3) A little pool with two layers of wall around it. One white and soft and the other dark and hard, amidst a light brown grassy lawn with an outline of green grass. What am I?

Someday

You will find what you are looking for or maybe you wont. Maybe you will find something much greater than that. *Annette Kelly, Little Penny Thoughts*
