

SEVEN OAKS DAY CENTRE

Are you thinking about attending Seven Oaks Day Centre?

If so, you may find the information in this brochure helpful to making your decision.

What is Seven Oaks Day Centre?

Seven Oaks Day Centre provides Day Care services to people living with dementia in accordance with the contractual arrangements in place between the Western Health and Social Care Trust and Radius Housing Association.

Seven Oaks Day Centre provides day care in agreement with the Service User, their family and the health and social care professionals who may be involved in

assisting decisions on suitability of day care in meeting individual needs.

A key aim of day care is to support each individual and their family/carer living with dementia to continue to live a fulfilled and independent lifestyle.

Seven Oaks Day Centre will develop a person centered care and support plan to meet each service user's individual needs. This care and support plan will be agreed with the service user and family/carer following admission and will be reviewed and evaluated as and when required, to ensure the service we provide will continue to meet your actual needs and aspirations.

Seven Oaks Day Care welcomes the involvement of each Service User, their family, Next-of-kin, and health professionals in creating a care plan that will best meet each Service User's needs.
